

**Building Construction for the Fire Service (FFP 2120)**

Required textbook:

**Building Construction Related to the Fire Service, 3rd Ed. IFSTA  
ISBN: 978-087939371-7**

Course Description:

The curriculum in this online class covers **FFP 2120 Building Construction for the Fire Service**. Topics include identifying hazards from assault by fire and gravity, how building construction can influence fire spread, fire confinement or structural collapse, and many other life safety issues. This is not a building course per se, but rather **FFP2120** is a course to identify construction features and their hazards under fire conditions.
